Dear Sir:

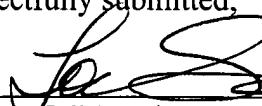

Applicant has reviewed the Examiner's Statement of Reasons for Allowance with the November 16, 2007 Notice of Allowance and Allowability, and wishes to submit the following remarks. The Statement paraphrases several limitations from independent claims 1 and 9 as reasons for allowance of claims 1-16. Applicant wishes to point out that independent claims 1 and 9 contains other limitations which, in combination with the limitations paraphrased in the Statement, render claims 1 and 9 allowable. Moreover, as noted in the Statement, dependent claims 2-8 and 10-16 recite additional limitations which, in combination with their base claim, render the dependent claims allowable.

Entry of the Statement into the record should not be construed as Applicant's agreement with or acquiescence in the reasoning stated by the Examiner. Each of the claims stands on its own merits and is patentable because of the combination it recites and not because of the presence or absence of any one particular element. The Examiner's Statement was not prepared by Applicant

and only contains the Examiner's possible positions in one or more reasons for allowability. Thus, any interpretation with respect to the Examiner's Statement of Reasons for Allowance should not be imputed to the Applicant.

Dated: February 5, 2008

Respectfully submitted,
